THE COMMON SYSTEM BEHIND THE STORIES

How TAP works

A six-month work-integrated experience designed to bridge learning and work.

01

LEARN

Build practical foundations in tax, accounting and professional communication.

02

EXPERIENCE

Work on real assignments with structured guidance and review.

03

PREPARE

Strengthen confidence, communication, technical readiness and professional habits.

04

PROGRESS

Use that experience to pursue campus, Canadian, remote or full-time opportunities.

He Completed His ACCA Exams. The Next Step Was Turning Them into a Career. >

05 **Rohan Gupta**
He Rebuilt the Basics. His First Job Attempt Led to Outbooks UK. >

Tap any name to open the story, or continue by swiping.

PLACEMENT JOURNEY 01

From ACCA student to Junior Tax Consultant in Canada

A six-month TAP journey from qualification in progress to professional experience

TAP PARTICIPANT

Shreya Sarkar

Junior Tax Consultant

GVP LLP Canada

Her placement journey

BEFORE TAP

1 Final-year B.Com student pursuing ACCA, with six papers completed but no professional experience.

THROUGH TAP

2 Completed a six-month work-integrated experience program with Zillion Solutions Canada across the Canadian and UK Taxation and Accounting tracks.

PLACEMENT OUTCOME

3 Secured a Junior Tax Consultant role with GVP LLP Canada.

THE EXPERIENCE GAP SHE FACED

> “Every role I came across required experience. As an undergraduate, I could not get that first opportunity, so I had no way to build the experience employers wanted.”

TAP helped bridge that gap through six months of practical training and mentorship.

PLACEMENT JOURNEY 02

From a small town in Rajasthan to a full-time career in Tax Technology

A six-month journey from professional learning to an internship and a full-time role

TAP PARTICIPANT

Mahi Gaurav

Junior Associate - Tax Technology

Zillion Solutions

Her placement journey

BEFORE TAP

1

From Bhiwadi, Rajasthan, Mahi was pursuing ACCA and had cleared three papers. She wanted practical experience alongside her qualification.

THROUGH TAP

2

Completed the six-month TAP Tax Technology track, gaining practical exposure to technology within tax and accounting work.

CAREER OUTCOME

3

Progressed from an internship supporting her ACCA PER to a full-time Junior Associate - Tax Technology role with Zillion Solutions.

HER JOURNEY

Bhiwadi → ACCA → TAP Tax Technology → Internship → Full-time role

A STORY FOR YOU IF...

You are pursuing ACCA and want practical experience while building a pathway toward your first full-time professional role.

PLACEMENT JOURNEY 03

He wanted to start - but confidence in English held him back

How a BBA student with no experience found his first opportunity in U.S. taxation

TAP PARTICIPANT

Manish Gupta

U.S. Tax Intern - Form 1120

Zillion Solutions

His career-entry journey

WHERE HE BEGAN

1

BBA student at Amity University, Gurugram, with no previous professional experience and limited confidence in English communication.

LEARNING BY DOING

2

Completed the six-month TAP U.S. Taxation track, gaining practical exposure to U.S. corporate taxation and Form 1120.

WHERE HE IS TODAY

3

Currently building his first professional experience as a U.S. Tax Intern with Zillion Solutions.

THE STEP THAT CHANGED HIS DIRECTION

His journey is still in progress - but he has already taken the most difficult step: securing his first professional opportunity.

A STORY FOR YOU IF...

You know you are capable, but limited experience or confidence in communication is making your first opportunity difficult to secure.

PLACEMENT JOURNEY 04

He completed his ACCA exams. The next step was turning them into a career.

From Qatar to practical experience and a full-time role in Tax Technology

TAP PARTICIPANT

Vansh Chowdhary

Junior Tax Associate - Tax Technology

Zillion Solutions

His placement journey

1 — WHERE HE BEGAN

Based in Qatar, Vansh had completed his ACCA examinations and needed relevant practical experience to progress professionally.

2 — FROM KNOWLEDGE TO EXPERIENCE

Joined Zillion Solutions through TAP as a Tax Technology intern and gained experience toward his ACCA Practical Experience Requirement.

3 — WHERE HE IS TODAY

Progressed into a full-time Junior Tax Associate - Tax Technology role with Zillion Solutions.

HIS JOURNEY

Qatar - ACCA exams completed - TAP internship - ACCA PER experience - Full-time Tax Technology role

A STORY FOR YOU IF...

You have completed, or are close to completing, your professional qualification but still need practical experience to turn it into a full-time career.

PLACEMENT JOURNEY 05

He rebuilt the basics. His first job attempt led to Outbooks UK.

From struggling with accounting fundamentals to working in UK year-end finalization

TAP PARTICIPANT

Rohan Gupta

Junior Accountant

Year-End Finalization | Outbooks UK

His placement journey

WHERE HE BEGAN

1

Final-year MBA Finance student at UPES, Dehradun, who found it difficult to apply foundational concepts such as debits and credits.

REBUILDING THE FOUNDATION

2

Completed the six-month TAP UK Accounting track, progressing from core concepts to practical UK accounting and year-end work.

CAREER OUTCOME

3

Entered the job market and secured a year-end finalization role with Outbooks UK on his first attempt.

HIS JOURNEY

MBA Finance - Accounting fundamentals - UK Accounting track - Year-end work - Outbooks UK

A STORY FOR YOU IF...

You study finance or accounting but still find it difficult to apply classroom concepts in practical work. Your starting point does not decide your outcome.

ZILLION
SOLUTIONS

CHAPTER 02 OF 05

Career Restart and Canadian Experience

Two professionals converting life experience and prior work into new opportunities.

06 **Rinky Bansal**
From New Mother to a Remote Career in Tax and Accounting >

07 **Experienced Accounting Professional**
From 13 Years of Experience in India to Her First Job in Canada >

Tap any name to open the story, or continue by swiping.

ZILLION
SOLUTIONS GROUP
People. Possibilities. Progress.

PLACEMENT JOURNEY 06

From New Mother to a Remote Career in Tax and Accounting

A career-change journey from customer service to a remote professional *apprenticeship*

TAP PARTICIPANT

Rinky Bansal

Remote Tax and Accounting Apprentice

Zillion Solutions

Her placement journey

1 **WHERE SHE BEGAN**

Rinky was a new mother preparing to return to work. She came from a customer service background and wanted a flexible, remote career in tax and accounting.

2 **THROUGH TAP**

Rinky joined TAP to learn accounting from the foundation and gain practical workplace experience in a completely new field.

3 **CURRENT OUTCOME**

Rinky is completing her remote Tax and Accounting apprenticeship with Zillion Solutions. She was selected by a Chartered Accountant who was also a former TAP participant.

A STORY FOR YOU IF...

You are a new mother looking for a flexible, remote opportunity or want to build a career in a field different from your previous experience.

> *"Motherhood may change how you work. It does not have to limit how far you can grow."*

ZILLION SOLUTIONS

PLACEMENT JOURNEY 07

From 13 Years of Experience in India to Her First Job in Canada

How TAP helped turn Indian accounting experience into recognized Canadian work experience

TAP PARTICIPANT

Experienced Accounting Professional

- 13 Years in Year-End Finalization
- First Job in Canada through TAP

Her placement journey

1 BEFORE TAP

She came to Canada with 13 years of experience in year-end finalization and accounting in India. Despite her experience, employers were looking for Canadian work experience.

2 THROUGH TAP

Through TAP, she gained practical Canadian accounting experience by working with Zillion Solutions Canada, allowing her to apply her existing skills in a Canadian work environment.

3 PLACEMENT OUTCOME

That Canadian experience helped her overcome the biggest barrier in her job search and secure her first job in Canada.

THE EXPERIENCE GAP SHE FACED

> “I already had 13 years of accounting experience. The challenge was not my skills — it was that my experience was from India, while employers wanted Canadian experience.”

TAP helped bridge that gap — turning years of international experience into Canadian workplace experience.

CHAPTER 03 OF 05

Global Finance and Remote Opportunities

Three pathways into banking, finance and remote international work.

08 **Sameer Sharma**
From a Small Town in Rajasthan to Rating North American Banks >

09 **Anshika Bhandari**
From a Small Town in Haryana to Rating Canadian and European Banks >

10 **Khushi Singh**
From TAP to Outbooks UK in Just 2 Months >

Tap any name to open the story, or continue by swiping.

ZILLION
SOLUTIONS GROUP
People. Possibilities. Progress.

PLACEMENT JOURNEY 08

From a small town in Rajasthan to rating North American banks

How an ACCA student gained international sustainability experience by contributing to the ratings of **15+ North American banks.**

Sameer Sharma

Sustainability Analyst

Volunteer Project
Bank.Green

From a small town in Rajasthan

B.Com

9 ACCA papers completed

His placement journey

1 BEFORE TAP

Sameer was pursuing B.Com and ACCA, with 9 ACCA papers completed, from a small town in Rajasthan. He had the academic foundation but limited access to international professional exposure.

2 THROUGH TAP

Through TAP, Sameer received mentoring, professional guidance and exposure to opportunitioıs beyond traditional tax and accounting roles, where his finance and analytical skills could be applied.

3 PROJECT OUTCOME

Sameer worked on a sustainability-focused volunteer project with Bank.Green, where he contributed to the assessment and rating of **more than 15 North American banks**, gaining valuable international project experience.

> My location did not limit my ambition. Through TAP, I got the guidance and opportunity to work on real sustainability projects, contributing to the ratings of more than 15 North American banks. It gave me international exposure and confidence in my abilities.
>
> – *Sameer Sharma*

PLACEMENT JOURNEY 09

From a small town in Haryana to rating Canadian and European banks

How a sustainability-focused project helped Anshika gain international experience through real banking assessments.

Anshika Bhandari

Sustainability Analyst
Bank.Green

- From a small town in Haryana
- International sustainability project
- Canadian & European banks

Her placement journey

1 BEFORE TAP

Anshika came from a small town in Haryana and was looking for meaningful international exposure where she could apply her skills to real-world work.

2 THROUGH TAP

Through TAP, Anshika received mentoring, professional guidance and exposure to sustainability-focused assignments that went beyond conventional pathways.

3 PROJECT OUTCOME

Anshika worked on a sustainability-focused project with Bank.Green, contributing to the assessment and rating of Canadian and European banks, gaining valuable international project experience.

> My location did not limit my ambition. Through TAP, I got the guidance and opportunity to work on real sustainability projects involving Canadian and European banks. It gave me international exposure and confidence in my abilities.

PLACEMENT JOURNEY 11

From TAP to Outbooks UK in Just 2 Months

How one of TAP's fastest hires secured a remote year-end finalization opportunity in the UK.

TAP PARTICIPANT

Khushi Singh

Remote Year-End Finalization

Outbooks UK

TAP trainee	Selected in 2 months	Remote role

Her placement journey

1 BEFORE TAP

Khushi joined TAP to build practical accounting experience and create strong placement opportunities in the field.

2 THROUGH TAP

Through TAP, she received structured training, mentoring and real-world exposure that prepared her for professional work in accounting and year-end finalization.

3 PLACEMENT OUTCOME

Within just two months of starting TAP, Khushi was selected by Outbooks UK for a remote opportunity in year-end finalization, making her one of TAP's fastest hires.

THE MILESTONE

> "Within two months of starting TAP, I secured a remote opportunity with Outbooks UK in year-end finalization. It became a powerful start to my professional journey."
